现场调查/现场采样/检测图像影像	A photograph showing three individuals standing in front of a building entrance. On the left, a person in a blue and white jacket and a grey cap. In the middle, a person in a black jacket and a white cap. On the right, a man in a blue jacket. They are standing on a paved area with some potted plants and a small sign on the wall. A photograph showing two people in a workshop or industrial setting. One person is kneeling on the floor, working on a piece of equipment. The other person is standing next to them, observing. They are both wearing safety gear, including masks and caps. The background shows industrial equipment and a window.
